Dear Mr. Waltman,

We received your Freedom of Information Act (FOIA) request seeking copy of the United States Central Command (USCENTCOM) evacuation guidelines, procedures or policies for military bases closing in the event the nation in which a given base is located revokes the U.S. military's rights to use their territory, or another diplomatic crisis unfolds involving the dissolution of a U.S. military base.

In order to comply with the FOIA guidelines, USCENTCOM attempted to contact you via email at 39200-50978979@requests.muckrock.com, on 26 August 2019, and a follow-up email on 16 September 2019; to date we have not received a reply. Please contact the FOIA Office to provide current contact information and confirm if you are still interested in the requested information by 24 October 2019. USCENTCOM will administratively close your request as unable to contact requester if we do not receive your reply by requested date.

If you have any questions, please contact the FOIA Requester Service Center at (813) 529-6285, centcom.macdill.centcom-hq.mbx.freedom-of-information-act@mail.mil, and refer to FOIA case #17-0553.

Sincerely,
